

# Accommodation Guide

At the Friendly Society Private Hospital, we strive to maintain excellence in patient care. We have identified that many of our patients and family come from outside the Bundaberg area. Special arrangements have been made to meet your needs in providing discount accommodation with several motels within close proximity to the Friendly Society Private Hospital. We hope you find this information useful and please don't hesitate to contact the hospital if you require further assistance.

 **Friendly Society Private Hospital**  
Leading Healthcare for the Wide Bay
