How your donation will be used

The vision of The Friendlies Foundation is to support the caring role of the hospital to:

-  Support more patients to receive treatment locally, close to family, friends and support networks

-  Supporting The Friendlies in the expansion of healthcare and hospital services
-  Helping to enhance the healthcare service at The Friendly Society Private Hospital

All our administrative costs are paid through commercial operations, meaning 100% of donated or fundraising dollars goes to The Friendlies Foundation.
