The Friendship Tree

The Friendship Tree represents the special relationships that grow in a healthcare setting.

Leaves are available, by donation, from The Friendlies Foundation to add to the tree in memory of a loved one, in thanks of a staff member or simply in support of The Friendlies.

Bequest - A lasting legacy

What is a bequest?

A bequest is the gift that continues providing to future generations long after we are able to do so personally. It enables you to leave a legacy in your name that reflects your compassion and generosity.

Your gift can be left in a number of different ways including:

- A specific gift of funds, property, stocks or shares
- A percentage of your estate that takes inflation into account
- A residual gift of the amount left after all other gifts, taxes and debts have been settled from your estate
- An annual donation from your estate for a nominated period of time

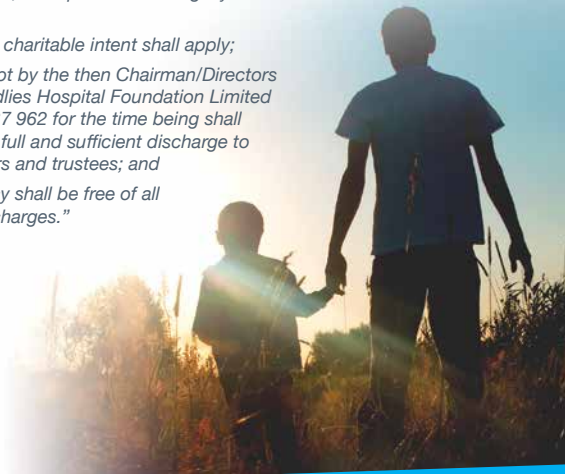

How to include a Bequest to the Friendlies Foundation in your Will

A valid Will is a legally enforceable document which specifies the people and/or organisation to benefit from your estate (the net value of your assets after any outstanding debts are settled).

The following wording can be given to your Solicitors or Trust Advisor to ensure your Bequest to the Friendlies Foundation is completed.

*"I give (the sum of \$_____) * (my assets described as _____) to "Friendlies Hospital Foundation Limited" (ABN 26 640 937 962) to be applied for general charitable purposes and, in respect of such legacy I declare:*

- 1. A general charitable intent shall apply;*
- 2. The receipt by the then Chairman/Directors of the Friendlies Hospital Foundation Limited ACN 640 937 962 for the time being shall constitute a full and sufficient discharge to my executors and trustees; and*
- 3. The legacy shall be free of all duties and charges."*
