The Friendlies Foundation is currently raising funds to commence the Hospital Accommodation Project.

Keeping families together when most needed is a primary focus underpinning the current fundraising goal of the Friendlies Foundation.

The Hospital Accommodation Project to be constructed on the corner of Bingera and Woondooma Streets, adjacent to the Friendlies hospital precinct consists of 16 studio style apartments with interconnectivity to provide accommodation for regional families accessing treatment and supporting loved ones along with resident student doctors and nurses.

Thank you for supporting our Charity Golf Day.
