Display Centre

The Friendlies Hospital have set up the NDIS House, a display centre that contains a range of lift chairs, electric beds, scooters and hoists. It allows patients to come and try items to ensure that they select the one that is right for them.

The display centre has full disabled access with ramps for easy entry and on-site parking right at the front door. Patients can feel comfortable in their purchase knowing that they have sat in the chair, laid on the bed or test driven the scooter to ensure they are making the right choice for them.

To make an appointment at the NDIS House Display Centre please contact our NDIS Coordinator Kerrie on 4331 1027, or our DVA Coordinator Annette on 4331 1678.

The Friendlies Pharmacy also has a full range of home health items to assist with maintaining independence in your own home.
